The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**ACCEPT A GRANT AWARD FROM THE FEDERAL EDWARD J. BYRNE MEMORIAL
JUSTICE ASSISTANCE GRANT FUNDS THROUGH THE GOVERNOR'S
OFFICE OF EMERGENCY SERVICES
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

Request Board approval for the District Attorney to accept a grant award in the amount of \$297,765 from the Federal Edward J. Byrne Memorial Justice Assistance Grant (JAG) funds through the Office of Emergency Services (OES). These funds are distributed by the Los Angeles County Anti-Drug Abuse (ADA) Steering Committee, which is chaired by the Los Angeles County Sheriff's Department (Department). Due to a significant decrease in funding in the past several years, the Department no longer receives funding. The four remaining programs receiving funds are true County-wide services that support ADA enforcement efforts benefitting every agency and community in the County.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Request the Chair of the Board to provide wet signatures to the Certification of Assurance of Compliance (Attachment I) and Certification of Compliance Methamphetamine Laboratory Operations (Attachment II) as part of the application submission to OES.
2. Execute Attachments I and II, whereby your Board:
 - Authorizes the District Attorney to accept a grant award from OES for Fiscal Year (FY) 2008-09, in the amount of \$297,765.

A Tradition of Service

- Delegates authority to the District Attorney, or his designee, as project director of the program, to sign and execute the grant award, including execution of amendments, extensions, renewals, and other applicable grant documents.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Under the requirements of OES, the applicant must complete a Certification of Assurance of Compliance and Certification of Compliance Methamphetamine Laboratory Operations, signed by the Governing Board Chair in place of a resolution.

Each year OES allocates Federal Edward J. Byrne Memorial JAG funding to California's 58 counties in support of the statewide ADA Enforcement Program. County-wide steering committees throughout the 58 counties in California continue to maintain local plans as the basis for their local ADA Enforcement Programs, select projects, determine their continuation, and apportion their allocations. The allocations are secured from the State of California (State) by a yearly application/grant award process subject to authorization by a resolution/certification from local governing bodies.

The County's steering committee is officially known as the Los Angeles County Anti-Drug Abuse Steering Committee (Committee). Formed in 1990, it has since been chaired by the Department and consists of representatives from Los Angeles Superior Court; Los Angeles County District Attorney's Office; Los Angeles County Sheriff's Department; Los Angeles County Probation Department; Los Angeles County Public Defender; City of Los Angeles Police Department; all other municipal Police Chiefs in the County, represented by the President and two Chiefs selected by the Executive Committee of the Los Angeles County Police Chiefs' Association; Los Angeles County Drug Administrator; Los Angeles County Department of Health Services; and the Chair of the Narcotics and Dangerous Drugs Commission. The Committee's program is officially known as the Los Angeles County Anti-Drug Abuse Enforcement Program.

On May 13, 2008, the Committee selected the continuance of four program components and subsequently apportioned allocations. The four remaining programs are true County-wide services that support anti-drug abuse enforcement efforts benefitting every agency and community in the County. The FY 2008-09 allocation is a 34 percent reduction from the previous year. Distribution of funds is based on the total allocation amount of \$2,409,767 to Los Angeles County. Of the FY 2008-09 amount, the Committee allocated \$297,765 for the District Attorney's Clearinghouse Electronic Surveillance System (CHESS) program. The remaining funds were distributed to the current municipally administered programs. All four selected programs are essential to officer safety and used by law enforcement officers throughout Los Angeles County.

The Department is the State's single point of contact for the Los Angeles County ADA Enforcement Program. As such, the Department must submit all applications to OES under one cover. Both the Department and the District Attorney recommend that your Board, as the County's governing body, approve the State's allocation of JAG program funds to the County; authorize implementation of the County administered project; and authorize the County applicant agency to enter, on your Board's behalf, into their grant award agreement with the State.

The applications were submitted to OES on May 23, 2008.

Implementation of Strategic Plan Goals

The Los Angeles County ADA Enforcement Program, a multi-jurisdictional effort directed at eliminating the prevalence of illicit drugs throughout Los Angeles County, meets the County's Strategic Plan, Goal 4, Fiscal Responsibility, by its utilization of grant revenue awarded by the State.

FISCAL IMPACT/FINANCING

The FY 2008-09 Edward J. Byrne Memorial JAG Program funding of \$2,409,767, allocated by the State to the County of Los Angeles, was apportioned to the County and the municipal agencies to offset the cost of their enforcement program components. No match is required. The District Attorney's estimated cost to implement CHESS is 50.23 percent offset by the grant allocation of \$297,765. The remaining 49.77 percent, \$295,049, will be absorbed by the District Attorney's Office.

The JAG Program grant funding to the District Attorney (\$297,765) will be included in the Department's FY 2008-09 budget. This amount is revenue offset by the State funds.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Los Angeles County ADA Enforcement Program is funded with Federal Edward J. Byrne Memorial JAG program funds, which the Governor's OES allocates annually to the County, as authorized by the Omnibus Crime Control and Safe Streets Act of 1968, and the Anti-Drug Abuse Act of 1998, as amended.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The four ADA enforcement projects selected for funding are continuing projects. Despite years of drastic cuts in ADA funding, there will be no change or impact on current services for the County administered program.

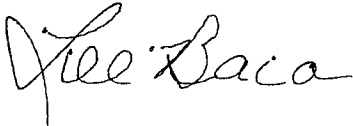

This Board letter was forwarded to the District Attorney's Office, the Public Defender's Office, and the Alternate Public Defender's Office for review. The Public Defender's Office indicated that this program will have no significant impact on their operations at this time. No impact statements were received from the other departments.

This letter has been reviewed by the District Attorney and approved as to form by County Counsel.

CONCLUSION

Upon your Board's approval, please instruct the Executive Office to return two copies of the adopted board letter, two Certifications of Assurance of Compliance, and two Certifications of Compliance Methamphetamine Laboratory Operations, to the Department's Grants Unit.

Sincerely,
